DETAILED ACTION

Current Status

1. This action is responsive to Applicants' amendment of 1 May 2007.
2. Claims 1, 4-11, 27 and 30-33 are under active consideration in the instant application.
3. The 112 rejections have been withdrawn because applicants have amended the claims to overcome the rejections.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Amy Schmid on 6/25/07.

The Application has been amended as follows:

In claim 1, 4-7, 27 and 30-33 have been cancelled.

Allowed Claims

Claims 8-11 are allowable over the prior art of record.

Reason For Allowance

The following is an examiner's statement of reasons for allowance: A search of the prior art failed to uncover any reference that anticipates or renders obvious a cyclic aliphatic polyamine as claimed by applicants.

The closest prior art is Yonehama et al., {US 2002/0055605}. Yonehama et al. teach a cyclohexylene amine and the process for the preparation the same.

Applicant cyclic aliphatic polyamines differ from the cyclohexylene amine disclosed by Yonehama et al. in that applicants claimed cyclic aliphatic polyamine is substituted while Yonehama et al. teach unsubstituted cyclohexylene amine. This difference is not readily apparent and would not have been suggested to one of ordinary skill.

All claims (8-11) are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chukwuma O. Nwaonicha whose telephone number is 571-272-2908. The examiner can normally be reached on Monday thru Friday, 8:30am to 5:00pm.
